

# Independent Reading- Book BINGO

~~Independent reading "projects" will be divided into semesters this year, rather than quarters, in order for you to get a little taste of what high school English classes feel like. Beginning now, and ending just before Winter Break, you will be responsible for getting BINGO on your Semester 1 YA Reading BINGO Card. In order to meet your independent reading goal, and to "get" BINGO, you will:~~

1. Select a path to "win" on your BINGO card. (~~vertical, horizontal, diagonal, or four corners~~) **any 4 books**
2. Find a book that meets one of the categories on that path.
3. Read it.
4. Once finished, set up a conference with me. During the conference, you will share your thoughts about the book and explain how it met that specific category on your BINGO card.
5. I will sign off on that BINGO space and you can pick a new book.
6. Once you've completed your card (all spaces have signatures), you win!
